### Features

- The appliance end panel is used when a appliance is installed at the end of a configuration to create a flush surface at the back and on the side. Compatible with most 24" outdoor appliances.
- Support brackets included for supporting and fixing a countertop.
- Modular system to optimize space and create a personalized outdoor kitchen area.
- ESSENCE collection cabinets for a refined and unified look.
- Superior corrosion resistance thanks to commercial grade 18 gauge 304 (18/10) stainless steel.
- Environmentally friendly product made with 100% recyclable stainless steel.
- Proudly designed and made by hand in Canada.

### Warranty

Outdoor Refinements offers a LIMITED LIFETIME WARRANTY against defects of material and workmanship on the fixed components of its stainless steel cabinets, a PRORATED 10-YEAR LIMITED WARRANTY on painted finishes and a 2-YEARS LIMITED WARRANTY on all mobile parts and hardware (Hinges, slides, locks) all of which are applied following the purchase date. This warranty is limited to defects or damages resulting from a normal residential use. For further details on our product warranty, please refer to our catalog or Web site.
