Landree

A five-light inner cluster in Polished Nickel appears to float inside a Silver Ridge geometric outer cage in this Landree Collection chandelier. The frame is designed to dramatically surround each fixture, presenting depth, dimension and beauty. The exaggerated scale and elegant accents are suitable for Modern and Luxury design styles.

- Like a vision within a cloud, a golden cluster candelabra glows from within the sinuous metallic of an outer cage.
- Exaggerated scale and elegant finishes define Landree's collection of lighting fixtures
- The five-light chandelier works beautifully in an entry foyer, breakfast area, dining room or upscale family room
- An excellent choice for Modern and Luxury interiors
- Pearly Silver Ridge finish with Polished Nickel accents
- Measures 23in diameter x 16in ht.
- Uses five 60-watt max. candelabra base bulbs or LED equivalent (sold separately)
- Compatible with standard wall dimmer
- Progress Lighting products are designed for exceptional quality, reliability, and functionality
- Includes installation instructions and mounting hardware
- Coordinating fixtures available
